

ActiveHEPA+

WITH ODOGard®

UL 2998 CERTIFIED
OZONE FREE

A Unique Fusion of Active and Passive Air Purification Technologies.

A completely new way to eliminate odors while purifying.

Active HEPA+ Room with ODOGard® is the only purifier to combine both active and passive air purification technologies with the odor-eliminating power of ODOGard. In addition to reducing volatile organic compounds (VOCs), allergens such as pollen and pet dander, and odors caused by mold, bacteria and other pollutants, it has been proven to inactivate 99.98% of SARS-CoV-2, the virus that causes COVID-19, from the air.*

* Laboratory tests prove to inactivate over 99.98% of SARS-CoV-2 in the air within 10 air exchanges in a controlled environment.

We measure success in microns.

ACTIVE & PASSIVE AIR PURIFICATION

REDUCES INDOOR ODORS

CONTINUOUSLY CLEANS

REMOVES AIRBORNE POLLUTANTS

A brand-new standard in air purification.

1 BIPOLAR IONIZATION

Ionization brushes create a plasma of negative and positive charges to remove particles, like dust and pet dander, from your breathing space.

2 PHOTOCATALYTIC OXIDATION

Using a broad-spectrum UV light and moisture in the air, active oxidation products are created to seek out problems at the source.

3 HEPA FILTER WITH ODOGARD® COATING

Traps and destroys odors along with allergens and other particulates. Active HEPA+ ODOGard® is the only air purifier on the market that uses proprietary ODOGard technology to quickly and permanently eliminate odors by bonding to odor molecules.

Room MODEL: IX5825 UPC: 817556020877	230 ACTIVE CADR	575 SQUARE FT*	99.98% SARS-CoV-2 REDUCTION	≥0.3 MICRONS	10.6" x 10.6" x 17.5" 269MM X 269MM X 445MM UNIT DIMENSIONS	11.5 lb UNIT WEIGHT	12.2" x 12.2" x 19.2" 310MM X 310MM X 488MM BOX DIMENSIONS
---	------------------------------	--------------------------	---------------------------------------	------------------------	--	-------------------------------	---

*Based on 8' ceiling height and 3 air exchanges. Advanced active technologies extend purification benefits. Actual coverage area may be greater.

CARB CERTIFIED
Meets California ozone
emissions limit

Please review all instructions in Owner's Manual before purifier operation.

Greentech Connect App for Mobile Control Included

Greentech Connect gives you control of your Greentech products from anywhere. Set ideal purification levels, put in NIGHT MODE, or get up-to-date information such as current settings, air quality reading, room temperature and humidity, component lifetime and more.
